TIMOTHY S. WAKEFIELD

DC, DACBSP-r, CPCO, CCST, CSCS (retired)

Since beginning his clinical career in 1989, **Dr. Timothy S. Wakefield** has built nearly four decades of experience in chiropractic care, clinical excellence, and ethical business strategies. He has taught numerous professional programs and published extensively on clinical documentation, CPT coding, sports injuries, and physical fitness. His career spans private practice, development of a large multi-location group practice, and assisting in developing a chiropractic department within a multidisciplinary Federally Qualified Health Center (FQHC).

After retiring from full-time clinical practice in 2023, Dr. Wakefield founded **Ethos Business Academy (EBA)**, a comprehensive, online, self-paced business program designed specifically for the chiropractic profession, empowering chiropractors to strengthen their business strategies and confidently **join, start, grow, replicate, or retire from practice**.

Empowering Chiropractors. Elevating Healthcare.
