Education

Certified Chiropractic Sports Physician American Chiropractic Board of Sports Physicians (Results Pending)	April 2019
Emergency medical technician National Registry of EMT Cognitive Exam (Results Pending)	April 2019
DOT Physician Training National Registry of Certified Medical Examiners (Results Pending)	March 2019
Medical Compliance Specialist for the Physician Dr. Mario Fucinari	March 2013
Palmer College of Chiropractic Doctor of Chiropractic	February 2011
University of Wisconsin-Milwaukee Bachelor of Science: Biology	December 2006
University of Wisconsin-Madison Associate of Science: General Science	June 2003

Awards and Honors

Chamber Excellence in Community , Reedsburg Chamber of Commerce,2018
Chamber Spirit Award, Reedsburg Chamber of Commerce,2017
Student Ambassador, Wisconsin Chiropractic Association, 2015,2016,2017
Customer Service Award, Reedsburg Chamber of Commerce, 2015
First Impression Award, Reedsburg Chamber of Commerce, 2014
Outstanding Global Excellence Award, Palmer College of Chiropractic, 2014
Outstanding Global Excellence Award, Palmer College of Chiropractic, 2014
Outstanding Global Excellence Award, Palmer College of Chiropractic, 2013
Excellence in Radiology Service Award, Palmer College of Chiropractic, 2011
Excellence in Diagnosis Service Award, Palmer College of Chiropractic, 2011
Outstanding Global Excellence Award, Palmer College of Chiropractic, 2011
Palmer Clinical Excellence Award Candidate, Palmer College of Chiropractic, 2011
Chandler Young Distinguished Senior Honors Student Award, 2006
Andrew Mellon Foundation Graduate Research Fellowship, 2005
National Science Foundation Graduate Fellowship, 2004-2005
Trewartha Undergraduate Honors Research Grants, 2004
Morgridge Center for Public Service Excellence in Civic Engagement Student Award, 2003
M.C.P.S., Meyerhoff Undergraduate Excellence Awards for Leadership, 2003

University of Wisconsin: Leadership Trust Award, 2003
Mark Mensink Honors Research Grant , 2002
Ann J. Haney Infinite Boundaries Scholarship, 2002
Excellence in Education, State of Wisconsin Board of Education, 2001
Excellence in Education, Reedsburg Board of Education, 2001
State of Wisconsin, State competitor Forensics Gold Medalist, 2001
Reedsburg Area High School Outstanding Senior Science Award, 2001
Boy Scouts of America - Eagle Scout ranking, 2001
Reedsburg Masonic Lodge Scholarship Recipient, 2001
Reedsburg Area Medical Center Scholarship Recipient, 2001
Nishan / Freda Meyers Scholarship Recipient, 2001
Excellence in Service: Wood Country –Department of Aging, 2000
Excellence in Service: Sauk Country –Department of Aging, 2000

Research Experience

Undergraduate Honors Research: Department of Letters and Science:
Molecular Biology, Cell Biology, **Environmental and Molecular Microbiology.**
University of Wisconsin-Milwaukee University, 2003-2006
(Research advisor: Dr. Daad A. Saffarini)
- Investigation of primary events of bacterial photosynthesis.
- Isolation and spectral analysis of photosynthetic reaction centers
- Investigation of primary events of bacterial anaerobic respiration in the bacterium
Shewanella oneidensis
- Investigation of primary mechanisms used by *S. oneidensis* to reduce different electron acceptors, especially metal oxides.

Teaching Experience

Lecturer: Wisconsin Chiropractic Association October 2018

Lecturer: Annual ICD 10 Update

Lecturer: OG Medical Group October 2018

Ogden Utah

Lecturer:: Compliance and Documentation Integration

Lecturer: Wisconsin Chiropractic Association October 2018

Lecturer:: Fall Clean up Front Desk (CT Program)

Lecturer: OG Medical Group September 2018

Ogden Utah

Lecturer:: Compliance

Lecturer: Wisconsin Chiropractic Association July 2018

Lecturer:: Coding Cases

Lecture: Palmer College of Chiropractic July 2018

- All Student Clinic Meeting

- Katie Clark, DC

Lecturer: E&M Management

Lecture: Palmer College of Chiropractic July 2018

- All Student Clinic Meeting

- Katie Clark, DC

Lecturer: Documentation and Coding

Lecturer: Wisconsin Chiropractic Association June 2018

Lecturer:: The Truth of Documentation

Lecturer: Medical Integration June 2018

Lecturer:: ICD10, Coding, Compliance, Documentation

Carnival Cruise: Triumph

7 Days : Only Speaker

Lecturer: Wisconsin Chiropractic Association May 2018

Lecturer:: Medicare Roundtable Review

Lecturer: Ogden Medical Group May 2018

Lecturer:: Counseling and Coaching (onsite)

Lecturer: Scottsdale Chiropractic Group April 2018

Lecturer:: Documentation

Lecturer: Mesa Chiropractic Group April 2018

Lecturer:: ABN

Lecturer: Mesa Chiropractic Group April 2018

Lecturer:: Compliance

Lecturer: Phoenix Medics April 2018

Lecturer:: ICD 10 and Coding

Lecturer: Wisconsin Chiropractic Association April 2018

Extension Faculty: Clinic Abroad Program Palmer College of Chiropractic October 2014.
- Supervise and organize patient care and/or specific student activities in India.

Extension Faculty: Clinic Abroad Program Palmer College of Chiropractic March 2014.
- Supervise and organize patient care and/or specific student activities in Fiji.

Extension Faculty: Clinic Abroad Program Palmer College of Chiropractic October 2013.
- Supervise and organize patient care and/or specific student activities in Brazil.

Teaching Assistant: Gender Disorders Palmer College of Chiropractic 2010-2011.
-Monitored, organized, and evaluated laboratory work.

Teaching Assistant: Physical Diagnosis Palmer College of Chiropractic 2010-2011.
Monitored, organized, and evaluated laboratory work.

Teaching Assistant: Microbiology Palmer College of Chiropractic 2007-2011.
-Monitored, organized, and evaluated laboratory work. Hold regular office hours.

Teaching Assistant: Microbial Diversity University of Wisconsin-Milwaukee, 2003-2006.
-Monitored and organized laboratory work. Held regular office hours.

Teaching Assistant: Molecular Biology Laboratory, University of Wisconsin-Milwaukee, 2005.
-Monitored and organized laboratory work. Held regular office hours.

Teaching Assistant: Core Biology Laboratory, University of Wisconsin-Milwaukee, 2004.
-Oversaw ecology laboratory and led discussion sections.

Instructor: Reedsburg Wetland Wonders Outdoor Education Program,
University of Wisconsin-Baraboo, 2000-2001.
-Lectured and led weekend outings, emphasis on ecology, animal tracking, and wilderness skills. Created assignments and evaluated student performance.

Camp Guide: Camp Castle Rock Scout Camps, Mauston, WI , 2000.
-Organized and instructed science related merit badges

Technical Experience

Molecular genetics: Genomic DNA isolation; subcloning; generation and isotopic labelling of DNA probes from oligonucleotides, plasmids, ribopobes, and cosmids; Pulse field gel electrophoresis; Southern blot and direct gel hybridization; restriction mapping.

Immunology: Antisera generation and monoclonal antibody isolation; isotopic, fluorescent, and biotin labelling of cellular proteins and antibodies; immunoprecipitation; radioimmunoassay; ELISA; FACS analysis.

Biochemistry: Spectrophotometric enzyme assays; protein quantitation; HPLC, ion exchange, and affinity chromatography; 1- and 2-D polyacrylamide gel electrophoresis isoelectric focusing.

Tissue Culture: Mammalian adherent and nonadherent cell culture; cell separation, including Percoll density gradient and centrifugal elutriation; hybridoma culture.

Microbiology: serologic and virologic tests of commonly occurring murine viruses and suspected virologic samples, including HAI, CF, ELISA and neutralization tests. Prepared samples and media, cultures samples, and cross matches blood for transfusion compatibility. Microbiological analysis of water and short-term bioassay for toxins in environmental samples. Participates in unit's quality assurance activities. Tests potable and non-potable water samples for indicators of microbiological pollution, including membrane filtration, multiple tube fermentation, heterotrophic plate count, assays, and filtration of samples. Records final results and maintains computer records and looks up results as requested. Performs quality control procedures, prepares and processes samples, and consults with personnel at other diagnostic laboratories regarding test procedures and quality control

Community and Volunteer Service

*Reedsburg Youth Football
Team Medic (2016-Present)*

*Reedsburg Chamber of Commerce
Young Professionals
Marketing Chair (2013-Present)*

*Reedsburg Freedom Fest
Vice President (2012-Present)*

*Reedsburg Boy Scout Troop 247
Board Member (2012-Present)*

*City of Elroy Downtown Initiative
Board Member (2012-Present)*

-Committee dedicated to raise awareness and community support for the business and individuals who live in the city area of Elroy

*Reedsburg Special Events Committee
Board Member and Cochair(2011-Present)*

-Raise funds for Reedsburg Events
-Raise funds for Christmas Decorations and other community Events

*Reedsburg Area United Fund
Board Member (2011-Present)*

-Part of an organization that raises over \$30,000 in 5 days for 30 nonprofits.

*Reedsburg Revitalization Committee
Board Member (2012-Present)*

- Community members working together for the revitalization of Reedsburg.
- organize events, advertise cooperatively, and enhance not only our individual businesses but our entire community.

*Reedsburg Chamber of Commerce
Ambassador Program
Vice Chair (2011-Present)*

*Reedsburg Boy Scout Troop 44
Board Member (2011-Present)*

*Rotary Club of Reedsburg-Western Sauk County
Past President (2011-Present)*

- Rotary's motto, Service Above Self, exemplifies the humanitarian spirit of the organization
- Assisted with Fly in Breakfast Fundraiser
-Assisted with Concession stand fundraiser.
- As well as numerous other fundraiser and scholarship opportunities

*Junior / Senior Prom
Co-Creator (2002-2003)*

-Wisconsin Union Directorate teams up with the Madison Area Senior Center , for full a blown prom event.

-The evening features live music, provided by a live Orchestra, a photographer, refreshments, and door prizes from area business.

-Senior citizens (Sr.'s) dress up and are paired up with College students from the UW-Madison campus (Jr's) for a night of dancing and fellowship.

Crisis Phone Line Volunteer January 2001-2003

Rape Crisis Center, Madison, WI

Completed over 60 hours of training in crisis intervention and sexual assault issues
Responded to calls by providing support, counseling and referrals

Free Meal Program Volunteer September 2001-2003

United Neighborhood Centers, Madison, WI

Established positive and supportive relationships with community members
Collaborated with volunteers to plan, prepare, and serve meals

Crimean War Remembrance Foundation,

Epsilon Chapter, President Academic Year 2002

University of Wisconsin-Madison

- Organized and directed all activities. Served as primary student contact for the foundation.
- Planned induction ceremony, wrote and delivered key note address.
- Planned special events and dinners honoring the heritage of the Crimean war.
- Raised over \$100,000 dollars to donate to National Crimean War Remembrance Foundation

Clothing drive benefiting St. Vincent de Paul Society,

Organizer- Chadbourne Spring 2002

Residential Community, Madison, WI

- Directed and advertised a "Spring Cleaning Party" to encourage university housing residents to donate to St. Vincent de Paul Society. Provided food and raffle drawing prizes to those who donated items.
- Collected over ten industrial-sized garbage bags full of gently-worn clothes

Pets are Working for Seniors(P.A.W.S.)

Creator (Eagle Scout Project 2000-2001)

- Pet therapy program that allows individuals to bring their pets into area Reedsburg nursing homes.
- This was implemented in every nursing home in the community.
- The program utilizes area veterinarians that inspect the pet and certify that the pet is healthy, has received its necessary shots, and able to show a calm, gentle personality, is people-oriented, and can be brought into the nursing home.
- Patients in hospitals and nursing homes who have regular visits from pets, are more receptive to medical treatment and nourishment.

Advanced Coursework

Raytom Group Civilian EMT

August 2018

Instructors: Raytom Group

CCSP: Principles and Practice Workshop

April 2018

Instructors: William Moreau, D.C., DACBSP, CSCS
Bob Nelson, D.C., DACBSP, CCEP, FIACA., FICC, CSCS, PC
Dale Buchburger, MS, PT, DC, CSCS, DACBSP
Andrew Klein, M.S., D.C., DACBSP

CCSP: Practical Application of Case Studies (12 hours incl. 3 X-ray) Instructor: Timothy W. Ray , DC , CCSP, ICSSD, DABCO and Jeff Rich, DC, DACBR	January 2018
CCSP: Upper Extremity Injuries (12 hours) Instructor: Kenneth R. Sheridan, DC, CCSP, CSCS	November 2017
CCSP: Special Considerations and Sports Radiology (12 hours incl. 6 X-ray) Instructor: Glori Hinck , DC , MS and Renee DeVries, DC, DACBR	September 2017
CCSP: Sports Rehabilitation (12 hours) Instructor: Richard A. Hills , DC , PT	June 2017
CCSP: Exercise Physiology (12 hours) Instructor: Andrew Klein, DC, MS, DACBSP, CSCS	April 2017
CCSP: Team Physiology and Common Athletic Spinal Conditions (12 hours) Instructor: Timothy Stark, MPhil, DC, DACBSP, ICCSP, CSCS, FICC	March 2017
CCSP: Knee and Lower Extremity Injuries (12 Hours) Instructor: Thomas Hyde, DC, DACBSP and Larry Kintner, DC, DACBSP	February 2017
Emergency Procedures (12 Hours) Instructor: Ira Shapiro, DC, DACBSP	November 2016
Athletic and Kinesiology Taping (12 hours) Instructor: Larry Kintner, DC, DACBSP	October 2016
Extremity Adjusting and Therapeutic Muscle Stretching Instructor: Timothy Stark, MPhil, DC, DACBSP, ICCSP, CSCS, FICC	September 2016
Activator Instructor: Dr. John Green, D.C.	October 2009
Thompson Instructor: Dr. W. Zemelka, D.C.	April 2010
Lumbar Distraction Instructor: Dr. L. Swank, D.C.	August 2010
Myofascial Technique Instructor: Dr. Ranier Pavlicek, D.C.	October 2010
Sports Elective Instructor: Dr. Ranier Pavlicek, D.C.	October 2010

Clinical Experience

Department of Life Sciences: Microbiology February 2008
Work Study Position: Lead Supervising Teaching Assistant
Palmer College of Chiropractic, Davenport, IA
Teaching Assistant for Dr. Henry Brockington, D.C.

Campus Health Center December 2009
Palmer College of Chiropractic, Davenport, IA
Student-patient care: Chiropractic diagnosis and treatment; case-specific examinations; radiography; physiotherapy; utilization of electronic records

Academic Health Center April 2010
Palmer College of Chiropractic, Davenport, IA
Outpatient care: Chiropractic diagnosis and treatment; case-specific examinations; digital radiography; physiotherapy utilization of electronic records

Department of Diagnosis & Radiology: Gender Disorders T.A. February 2010
Palmer College of Chiropractic, Davenport, IA
Teaching Assistant for Dr. Stephanie C. O'Neill, B.S., D.C., DICCP

Department of Diagnosis & Radiology: Physical Diagnosis T.A. February 2010
Palmer College of Chiropractic, Davenport, IA
Teaching Assistant for Dr. Paul D. Mullin, B.A., D.C.

Anderson Chiropractic Clinics October 2010
420 Viking Drive, Reedsburg WI
