

Dr. Miles Bodzin
CEO, Cash Practice Systems

Updated 2/2019

Bio/Speaker's Introduction

Dr. Miles Bodzin, Founder & CEO of Cash Practice® Systems is a chiropractor who became known as “the king of patient retention” while in his own practice. He has been on the cover of The American Chiropractor and his story is featured in the movie, “The Calling - A True Story”. He speaks internationally on the topic of client retention, and his company offers web-based software for chiropractors includes four powerful programs for increasing your cash collections and reducing your dependence on insurance. The Wellness Score® System, Cash Plan Calculator® System, Auto-Debit® System, and Drip Ed Email Marketing® System all work together to help free a doctor from the shackles of insurance dependence.
